 - Provides essential minerals and vitamin D in one convenient tablet
-

Key Ingredients and Their Benefits

Calcium

Calcium is essential for maintaining normal bones and teeth. Adequate intake is especially important during growth, pregnancy, breastfeeding and aging.

Vitamin D

Vitamin D contributes to the normal absorption and utilization of calcium and supports healthy bones and immune function.

Magnesium

Magnesium supports normal muscle and nerve function and contributes to reducing tiredness and fatigue.

Zinc

Zinc contributes to the maintenance of healthy skin, hair and nails and supports the normal function of the immune system.

Active Ingredients

Per Tablet

- Calcium – 400 mg
